

# Disinfecting your workspace

Supplies Needed:

Disinfectant wipes or disinfectant sprays and washable rags

Steps to follow:

1. Clean your hands
2. Wipe the various surfaces—being sure to use a clean wipe and/or folding over the wipes for each new surface area
3. Dispose of wipes in trash or place reusable wipes in a plastic bag to take home for washing
4. Clean your hands

**ANY PLACE THAT  
PEOPLE TOUCH  
FREQUENTLY**
