

Guidance Individual Student Encounters

Overarching theme is to wear a face covering and remain 6 feet apart.

Excel Centers:

The staff member/tutor are asked to adhere to one of these scenarios while interacting with students

- Wear a face covering or face shield (only in select situations where lips need to be seen by the patron or enunciation (language labs) needs to occur, etc.) and remain 6 feet from the closest student. Clear face masks are also available from facility services via work order.
- Wear a face shield and face covering in which case you can get closer than 6 feet from a student for a very short period of time try to minimize this time to less than 10 minutes. Please note that anytime you are closer than 6 feet you may be subject to self-quarantine if the individual you are working with tests positive for COVID-19 so you should only follow this guidance under rare circumstances.

These guidelines are current as of 8/13/20 and are subject to change based on public health guidelines.
